

Treemenda™ Tea Tree Shampoo

Nature's Harmony® Tea Tree Oil Shampoo from Treemenda™ is ideal for frequently washed hair. With a clean, fresh smell and the potent action of tea tree oil, Tea Tree Oil Shampoo naturally nourishes the hair and scalp.

PRODUCT CODE: 725200

DESCRIPTION:

Nature's Harmony® Treemenda™ is a line of quality, Australian tea tree oil products manufactured in Canada. It is 100% pure and natural, and one of nature's best antiseptics. Suitable for all hair types, tea tree oil shampoo is a natural cleanser that does not leave a chemical residue and removes build up that can make hair dull and lifeless.

Tea tree oil is the essential oil steam-distilled from the Australian plant *Melaleuca alternifolia*. Melaleuca, which means black and white (believed to be a reference to the appearance of the tree bark shortly after a bushfire), has been used for centuries by Australian Aboriginals. The Aboriginals discovered that the essential oil from the leaves of the tea tree provided a natural cure for a wide variety of ailments.

HOW IT WORKS:

Nature's Harmony® Tea Tree Shampoo gently but effectively cleanses hair and scalp without adding chemical residues that can cause build up. Tea tree oil products help oxygenate skin cells and repair damage caused by a wide variety of skin irritations.

Directions: Wet hair. Gently massage sufficient shampoo into hair and scalp. Rinse thoroughly. Repeat if necessary. For extra care and protection, use the shampoo in combination with Nature's Harmony® Tea Tree Conditioner.

RESEARCH:

Unique to Australia, tea tree oil is one of the most researched and scientifically proven therapeutic oils known today. Results of various scientific studies have shown that tea tree oil is twelve times stronger than phenol, a universal antiseptic substance. Yet this potent oil is a safe, non-toxic and completely natural antiseptic that is gentle to the skin.

SIDE EFFECTS:

Nature's Harmony® Treemenda™ Tea Tree products are formulated to have low toxicity and to be virtually non-irritating.

INTERACTIONS AND SAFETY CONSIDERATIONS:

Tea Tree Shampoo should not be consumed orally. If shampoo gets into the eyes, gently rinse with cold water.

OTHER CONSIDERATIONS:

Nature's Harmony® Treemenda™ Tea Tree Shampoo is not tested on animals and does not contain any animal products.

Tea Tree Shampoo

To gently but effectively cleanse hair and scalp without adding chemical residues that can cause build-up. Ideal for frequently washed hair. Tea Tree Oil removes build-up that can make hair dull and lifeless. Natural cleansers do not leave chemical residue. Hair and scalp are naturally nourished.

Directions: Wet hair. Gently massage sufficient shampoo into hair and scalp. Rinse thoroughly. Repeat if necessary. For extra care and protection, use in combination with Treemenda Tea Tree Conditioner.

Shampooing à l'huile de théier

Pour nettoyer efficacement et en douceur les cheveux et le cuir chevelu sans ajouter de résidus chimiques qui peuvent causer une accumulation. Idéal pour les cheveux qu'on lave souvent. L'huile de théier élimine l'accumulation de résidus qui rend les cheveux ternes et sans vie; de plus, les nettoyants naturels ne laissent pas de résidus chimiques. Les cheveux et le cuir chevelu sont nourris naturellement.

Mode d'emploi: Mouiller les cheveux. Masser le cuir chevelu et les cheveux en douceur en utilisant suffisamment de shampooing. Rincer abondamment. Répéter au besoin. Pour une protection supérieure, utiliser avec le Revitalisant au théier Treemenda.

Ingredients/Ingrédients: Aqua, Disodium Laureth Sulfosuccinate (and) Sodium Cocoyl Isethionate (and) Cocoamidopropyl Betaine, PEG-120 Methyl Glucose Trioleate, Sodium Chloride, Citric Acid, Sodium Hydroxide, Lavandula Angustifolia (Lavender) Flower Oil, Melaleuca Alternifolia (Tea Tree) Leaf Oil, Parfum.
